Robert Louis Stevenson

Robert Louis Balfour Stevenson, who came to be known as Louis to avoid confusion with an older cousin, was born in Edinburgh, Scotland, in 1850. An industrious person, he carried two books with him always—one to read and one in which to write.

Stevenson's interest in human psychology and fascination with the conflict of good and evil in man prompted him to write *The Strange Case of Dr. Jekyll and Mr. Hyde* in 1886. Partially because of his Calvinist upbringing, he thought that man was always suppressing his evil nature. This nature, so long held back, breaks loose violently in the character of Edward Hyde.

Stevenson, a collector of ideas, often borrowed from other writers, but his own style was unmistakable. *Treasure Island*, Stevenson's first successful book, was written in 1881. In 1885, while hard at work on *Kidnapped*, *A Child's Garden of Verses* was published. In 1887, he began *The Master of Ballantrae*, finishing it in 1889. Stevenson died in 1894, never completing his final book, *Weir of Hermiston*, referred to by many critics as his finest work.

Although plagued by illness throughout his life, Stevenson was a restless adventurer. He traveled extensively, married an American and retreated for health reasons to the South Sea Islands in 1889. Here, he established himself as the "tusitala" or the "teller of tales" to the natives.

Dr. Jekyll and Mr. Hyde

ROBERT LOUIS STEVENSON

THE MAIN CHARACTERS

This is a
chance I know
I must take.

For a long time I, Henry Jekyll, M.D., had been studying a way to divide man into separate people—one good and one evil. At last I thought I had found a drug which would work. I knew it would be dangerous, but I also knew that I would take the chance.

*I was born into a wealthy family.
I became a well-known doctor*

*As Dr. Jekyll, I was leading
two lives. My evil life, how-
ever, was kept hidden.*

Working
late again,
I see,
Dr. Jekyll.

Well, we must
do what we can,
mustn't we?

Cab,
sir?

Driver, take me to
Soho to a night-
club with a good
show.

Even though I led two different lives, I did not feel guilty. I enjoyed doing good and I enjoyed being evil.

I was the same person when I enjoyed the evil pleasures of life as when I worked during the day to help the sick who came to me.

About this time I was also studying magic and the supernatural.

A man is really two persons. I must try to discover how to separate these two natures.

I think this drug will work. I can free the evil person in me. Do I dare?

I knew I could die by taking the drug. But the thought of such a great discovery overcame my fear.

Oh God! Let it work.

The most terrible pain followed.

My bones ached.

I thought I would die.

When the pain stopped, I felt weak, as if I had been ill for a long time.

Right away I knew this person I had changed into was ugly and evil. But I was glad.

As I was enjoying these new feelings, I suddenly noticed that my appearance had changed.

Welcome, you are Edward Hyde, the evil side of my nature.
