PART I

Assessment	1
------------	---

CHAPTER 1

Autism and Related Disorders: Trends in Diagnosis and Neurobiologic Considerations 3

With guest contributor Stephen H. Contompos, MD

Introduction	4
Trends in the Diagnosis of Autism	5
Early Indicators of Autism Spectrum Disorders	14
Best Practice Guidelines for Diagnosis	22
Role of Practitioners in Diagnosis	26
Differential Diagnosis	28
Neurobiologic Considerations	32
Summary	36

Appendix 1.A

Summary of DSM–IV Diagnostic Criteria for Pervasive Developmental Disorders	39
---	----

Appendix 1.B

Summary of Screening and Diagnostic Tools for ASD	43
Practice Opportunities	50
Suggested Readings	50
Resources	50
Glossary	54
References	55

CHAPTER 2

Learning To Work with Families To Support Children with ASD 65

With guest contributor Jean E. Beatson, EdD, RN

Introduction	66
Tenets of Family-Centered Care	67
Role of Cultural Competence	70
Barriers to Family–Professional Collaboration: What Are They and How Should We Respond?	72
Building Professional Relationships with Families Affected by ASD	81
Implications for Professionals and Families Affected by ASD	82
Summary	83
Practice Opportunities	84
Suggested Readings	84
Resources	85
Glossary	90
References	90

CHAPTER 3

An Interdisciplinary, Family-Centered, and Community-Based Assessment Model for Children with ASD 93

Introduction	94
A Disablement Framework To Guide Assessment	94
Ecological and Dynamic Assessment Approaches	95
Role of Families and Practitioners in Assessment	98
An Interdisciplinary Assessment Model for Children with ASD	101
Potential Limitations of the Community-Based Assessment Model	119
Summary	119

Appendix 3.A

Sample Information Form for Children	122
--------------------------------------	-----

Appendix 3.B

Sample Preassessment Planning Meeting Format	131
--	-----

Appendix 3.C

Sample of Follow-Up Planning	138
------------------------------	-----

Appendix 3.D

Sample Report A	143
-----------------	-----

Appendix 3.E

Sample Report B	153
Practice Opportunities	161
Suggested Readings	161
Resources	162
Glossary	162
References	163

CHAPTER 4**Understanding and Assessing the Communication of Children with ASD 167**

- Introduction 168
- Theoretical Views of Language Impairment in Children with ASD 168
- Early Communication Challenges 169
- Pragmatic Challenges for Verbal Children with ASD 174
- Other Language Challenges 180
- Creating Profiles of Communication Strengths and Challenges 185
- Communication Assessment Across Impairment, Activity, and Participation 195
- Summary 205

Appendix 4.A

- Communication Assessment Interview 208
- Practice Opportunities 211
- Suggested Readings 211
- Resources 212
- Glossary 213
- References 214

CHAPTER 5**Understanding and Assessing the Play of Children with ASD 221**

- Introduction 222
- Principles of Play Development 223
- Relationships Among Play, Language, and Cognition 226
- Challenges in Play for Children with ASD 229
- Creating Profiles of Play Strengths and Challenges 233
- Play Assessment Across Impairment, Activity, and Participation 234
- Summary 243
- Practice Opportunities 245
- Suggested Readings 246
- Resources 246
- Glossary 247
- References 247

CHAPTER 6**Understanding and Assessing the Social–Emotional Development of Children with ASD 251**

With guest contributor Amy Ducker, PhD

- Introduction 252
- Social–Emotional Development 253
- Key Areas of Impairment 256
- Impact of Deficits in Arousal and Attention 264
- Creating Profiles of Social–Emotional Development 265

Social–Emotional Assessment Across Impairment, Activity, and Participation	282
Summary	288
Practice Opportunities	291
Suggested Readings	291
Resources	292
Glossary	294
References	295

CHAPTER 7

Sensory and Motor Considerations in the Assessment of Children with ASD 303

With guest contributors Ruth Dennis, EdD, OTR, and Susan Edelman, EdD, PT

Introduction	304
Descriptions of Sensory and Motor Characteristics in ASD	304
Relationships Between Sensory and Motor Characteristics	310
Assumptions About Sensory–Motor Functioning and Implications for Assessment and Intervention	323
Dimensions of Disability and Aspects of Sensory–Motor Function To Be Assessed in Children with ASD	324
Considerations for Assessment	326
Summary	332
Practice Opportunities	334
Suggested Readings	335
Resources	336
Glossary	338
References	339

PART 2

Intervention 345

CHAPTER 8

Making Intervention Decisions To Better Serve Children with ASD and Their Families 347

Introduction	348
Perspectives on Current Interventions	348
Visioning and Planning for Effective Intervention	356
Strategies for Difficult Decision Making	359
Considerations for Nonstandard Interventions	371
Curriculum Analysis and Intervention Planning	374
Summary	382

Appendix 8.A

Curriculum Analysis for Young Children with ASD and Individuals with ASD Who Exhibit Limited Verbal and Cognitive Skills	384
---	-----

Appendix 8.B

Language-Based Curriculum Analysis for Schoolchildren and
Adolescents with ASD 386

Practice Opportunities 389

Suggested Readings 389

Resources 390

Glossary 391

References 391

CHAPTER 9**Interventions To Support the Communication of Children
with ASD 397**

Introduction 398

Interventions for Supporting Limited Verbal Skills 399

Interventions for Supporting Verbal Skills 412

TEACCH Language and Communication Curriculum 431

Managing Unconventional Verbal Behavior 433

Expanding Conversational Abilities of Children with ASD 434

Supporting Communication and Language Intervention in the Home 437

Summary 440

Practice Opportunities 443

Suggested Readings 444

Resources 445

Glossary 451

References 452

CHAPTER 10**Interventions To Support the Play of Children with ASD 459**

Introduction 460

Teaching Play 460

Summary 474

Practice Opportunities 474

Suggested Readings 475

Resources 475

Glossary 476

References 476

CHAPTER 11**Interventions To Support the Social–Emotional Needs
of Children with ASD 479**

Introduction 480

Models of Intervention 480

Strategies To Support Social Interaction and Social Communication	496
Other Intervention Suggestions To Support the Social Behavior of Children with ASD	521
Summary	525
Practice Opportunities	527
Suggested Readings	527
Resources	528
Glossary	533
References	533

CHAPTER 12

Health-Care Considerations for Children with ASD 541

With guest contributor Stephen H. Contompasis, MD

Introduction	542
Role of a “Medical Home” for Children with ASD	542
A Plan for Coordinated and Comprehensive Health Care for Children with ASD	544
Strategies To Support the Health Care of Children with ASD	545
Summary	562
Practice Opportunities	563
Suggested Readings	564
Resources	565
Glossary	567
References	568

CHAPTER 13

Inclusionary Practice for Children with ASD 573

Introduction	574
Inclusive Education for Children with ASD	575
Strategies for Effective IEP Teams	579
Supporting Integration and Transitions Within General Education Settings	581
Summary	594
Practice Opportunities	595
Suggested Readings	596
Resources	596
Glossary	597
References	598
