## **Chapter One: Murder in Her Soul**

“Protect her, but watch her,” the Old Man had said.

The Dark Man knows that the girl has power.

He is leading her into the bad part of the city.

He sees her stare at people that they pass on the streets.

The girl is called Angela but she is no angel.

He sees that she has murder in her soul.

Yet Angela has a gift, so they must use her.

## **Chapter Two: In the Secret Place**

Here, in the bad part of the city, there is a secret place.

Under the ground is a pool of magical water.

The Dark Man pulls Angela into a doorway.

The building is in ruins, but they step inside.

The Dark Man knows a secret way below the ground.

They walk along black tunnels, where the air is hot and steamy.

From around a corner, they hear voices.

The Dark Man goes ahead.
