Preface	xi
1 Functional Curriculum Design	1
Paul Wehman, Pamela Targett, and Mark Richardson	
Major Principles of Curriculum Design	4
Critical Curriculum Areas	10
Transition Planning	28
Student-Centered Transition Planning	31
Interagency Planning and Service Delivery Efforts	36
The Role of Schools in Implementing Transition	37
Summary	41
Appendix 1: Life-Skills Studies Reviewed by Alwell and Cobb	43
References	51
2 Designing Instructional Programs	57
John Kregel	
Principles of Applied Behavior Analysis	60
Deciding Whether to Teach a Specific Skill	63
Developing Instructional Programs	67
Summary	89
References	91
3 Response to Intervention: What Are the Challenges?	93
Elizabeth Evans Getzel	
Common Features of RtI	94
Implementing RtI	95
Concerns and Issues	99
Functional Curriculum and RtI	100
Summary	102
References	103
4 Self-Determination	105
James E. Martin and Paul Sale	
Description of Curriculum	106
Curriculum Design	118

Summary 131
References 133

5 Accessing the General Curriculum Within a Functional-Curriculum Framework 137

Colleen A. Thoma, Kelly Ligon, and Katherine Wittig

What Has Changed Regarding Access to the General Curriculum? 138
How Is Access to the General Education Curriculum Achieved? 140
Examples of Access to the General Curriculum 146
Summary 154
References 157

6 Functional Academics 159

Pamela S. Wolfe and Cheryl Ostry

Functional Curricula 161
Legislation Affecting Functional Curricula 163
Functional Academic Curricula 164
Assessment of Functional Academic Skills 171
Instructional Methods for Teaching Functional Academics 177
Implementing Functional Academic Curricula 186
Functional Academics in IEPs and Transition Planning 192
Summary 193
Appendix 6.A: Commercially Available Curricula in the Domain Areas of
Language Arts (Reading and Writing) and Math 195
Appendix 6.B: Curriculum Strategies in Domain Areas 201
References 207

7 Financial Planning and Money Management 211

Kathryn Banks

Description of Curriculum 212
General Approaches to Assessment 223
Curriculum Design 226
Assistive Technology 230
Summary 235
References 237

**8 Social Security, Work Incentives, and Benefits Planning:
Navigating the Future 239**

Lucy Miller, Susan O'Mara, and John Kregel

Why Special Educators Need Familiarity with SSA Disability Benefits 239
SSA Benefits Available to Children and Adolescents 241

Questions About Eligibility for Social Security Disability Benefits 244
 Questions About How Employment Affects Social Security
 Disability Benefits 252
 Summary 257
 Appendix 8: Student Earned Income Exclusion 259
 References 265

9 Positive Behavior Support 267
 Carol M. Schall
 The Principles of Behavior: Applied Behavior Analysis 268
 Functional Behavior Assessment 270
 Positive Behavior Support Plan 277
 Summary 281
 References 283

10 Social Skills 285
 Sara C. Pankaskie and Shirley K. Chandler
 Description of Social Skills Curricula 286
 Approaches to Assessment of Social Skills 293
 Curriculum Design 297
 Summary 310
 Appendix 10.A: Annotated Reference List of Social Skills Curricula 313
 Appendix 10.B: Social Skills Assessments 319
 Appendix 10.C: Internet Resources for Teaching Social Skills 325
 References 329

11 Travel and Mobility Training 333
 Michael D. West, Katherine Wittig, and Victoria Z. Barrett
 Description of Curriculum 334
 General Approaches to Assessment 338
 Curriculum Design 339
 Sample Individualized Transition Plan 346
 Using Global Positioning in Travel Training 347
 Summary 347
 References 349

12 Community Participation 351
 Stacy K. Dymond
 Description of Functional Community Skills 355
 General Approaches to Assessment 358
 Curriculum Design 365

	Summary	379
	Appendix 12: Ecological Inventory Form for Community Settings	381
	References	385
13	Living at Home: Skills for Independence	389
	Daniel E. Steere, Teri L. Burcroff, and Caroline DiPipi-Hoy	
	General Description of Curriculum Content	392
	Considerations for Assessment of Home Living Skills	399
	Curriculum Design	403
	Summary	414
	References	415
14	Personal Care and Hygiene Skills	419
	Wendy M. Wood and Fred Spooner	
	Personal Care and Hygiene Skills	420
	Persons Needing Assistance with Personal Care and Hygiene	420
	Decreased Focus on Functional Skills and Curriculum-Related Research	422
	Curriculum Based on Competent Peers in Future Environments	423
	Instructional Strategies	442
	Summary	463
	References	465
15	Health and Safety Skills	471
	Martin Agran	
	Need for Safety Skills Instruction	472
	Overview of Curriculum	475
	Curriculum Design	491
	Summary	495
	Appendix 15: Select Individualized Education Program (IEP) Objectives	497
	References	503
16	Adult Services	507
	Grant Revell and Pamela Targett	
	What Educators Need to Know About Adult Services	508
	The Adult Service System	515
	The Role of the Schools and Adult Services	524
	Working Together	526
	Summary	526
	References	527

17	Preparing Students for Employment	529
	Cheryl Hanley-Maxwell and Lana Collet-Klingenberg	
	Career Development	531
	Assessment	533
	Organizing Content	540
	Curricula Across the School Ages	551
	Summary	561
	Appendix 17: Sample IEP for Case Study	563
	References	573
18	Going to Work	579
	Paul Wehman, Pamela Targett, and Howard Green	
	Integrated Work Models	580
	Quality Indicators of Integrated Employment	588
	Employee and Business Relationships	589
	Summary	596
	Appendix 18: Select Online Resources	597
	References	601
	About the Editors and Authors	603
	Index	615
