## Functional Word Series—Second Edition

The *Edmark Reading Program Functional Words Series—Second Edition* teaches 400 functional sight words. The *Functional Words Series* can be implemented as part of a functional living and community skills program or as a supplement to other reading programs.

The *Functional Words Series* uses the well-known word recognition method from the *Edmark Reading Program*, involving repeated exposure to target words within a variety of engaging learning activities. Students learn 100 new words at a moderate pace in each of four functional areas: Fast Food/Restaurant Words, Grocery Words, Job/Work Words, and Signs Around You. Components include:

**Teacher's Guide**—This detailed program guide addresses the research supporting the program and fully describes the program components and how to implement them. The Teacher's Guide also includes answer keys for the Stories Activities and the Reading and Social Skills Games lesson plans.

**Word Recognition**—Two spiral-bound books contain the target words in order of presentation. Target words are first introduced within the Word Recognition activity.

**Display Masks**—Two vinyl masks allow isolation of target words and phrases for ease of learning.

**Reading and Social Skills Games**—Games reinforce the functional vocabulary and promote generalization by requiring students to use reading skills in a social setting. Students also develop social skills and a basic understanding of various game-playing procedures. The Games include a full-color gameboard, playing pieces, and dice.

**Downloadable content**—files for: Lesson Plan/Record, 300 Vocabulary Exercises, Stories Activities and Character Illustrations, Reading and Social Skills Games lessons and materials, and Word Lists.

**Stories and Stories Activities**—The Stories are in a standard paperback format. Each of the five Stories books contains 10 stories—1 story for every two words taught. The stories throughout the series include a common cast of characters, with a few other characters introduced to facilitate various story lines. Character Illustrations are included as printable PDFs.

Students may use the illustrations of the story characters to follow the various people they read about and as an aid to comprehending the stories. Also available separately.
