Subtest B: Attention and Immediate Memory — Auditory and Visual

Open the *Executive Functions Test Elementary Picture Stimuli Book* to page one. Point to each picture as you read each item. Ask each question and score the response 1 or 0. (DK/NR = Don't know/No response)

► **Say to child:** Look at the picture and listen to each story. Then I will ask you some questions.

ITEM	RESPONSE	SCORE
<i>Page 4 of Picture Stimuli Book</i>		
Look at this movie schedule and prices. You and your 6-year-old brother want to see a movie on Friday night. You're going out to dinner with your parents at 5:30 p.m. You'll be finished by 6:15 p.m. The theater is next door to the restaurant.		
40. What movie can't you see?	<input type="checkbox"/> <i>A Noble Steed</i> Incorrect; DK/NR Response:	1 0
41. How much will your brother's ticket cost?	<input type="checkbox"/> \$8 Incorrect; DK/NR Response:	1 0
42. You pick <i>Vampire Comics</i> to see. It's an hour and a half long, and your parents said they'd pick you up at 8:30 p.m. What's the problem?	MUST NAME ONE <input type="checkbox"/> have to wait 30 minutes/half an hour <input type="checkbox"/> have to be alone for 30 minutes/half an hour Incorrect; DK/NR Response:	1 0
<i>Page 6 of Picture Stimuli Book</i>		
This flyer is advertising produce. You don't like carrots. Your mom buys what's on sale.		
43. What's the problem?	<input type="checkbox"/> carrots are the only vegetable on sale Incorrect; DK/NR Response:	1 0
44. What's the limit on honeydew melons?	<input type="checkbox"/> one per person Incorrect; DK/NR Response:	1 0
45. What's the limit on cantaloupe?	<input type="checkbox"/> two per person Incorrect; DK/NR Response:	1 0

Subtest C: Working Memory and Flexible Thinking

The student listens while you read each item and answers two questions related to each item. Score each response 1 or 0.
(DK/NR = Don't know/No response)

► **Say to child:** *I'll read a story and ask you some questions.*

ITEM	RESPONSE	SCORE
Jay is bored. Every day he and his little sister come home to an empty house. He does his homework. Then he plops down in front of the TV or plays his video games until his dad gets home.		
76. Jay's dad notices that Jay's bored. What could Jay's dad do?	<input type="checkbox"/> give Jay list of things to do/chores/responsibilities Incorrect; DK/NR Response:	1 0
77. Jay decides to join a pickup basketball game at the park every day. What does he need to consider before going?	<input type="checkbox"/> he's responsible for/babysits his sister Incorrect; DK/NR Response:	1 0
When we make mistakes, we should learn from them so we don't repeat them. For instance, forgetting to study for a test will probably cause you to get a bad grade on the test. That bad grade teaches you that you need to study for tests.		
78. You and your friends went bike riding. You fell, hit your head, and got a headache. What did you learn?	<input type="checkbox"/> wear a helmet Incorrect; DK/NR Response:	1 0
79. Your yogurt spoiled in your lunchbox. What did you learn?	<input type="checkbox"/> don't bring any food in your lunch that needs refrigeration; don't bring yogurt to school; put ice in with the yogurt Incorrect; DK/NR Response:	1 0
Sometimes you and Carmen eat lunch together. She usually has a salad and soup. Sometimes you buy school lunch.		
80. If you're eating a peanut butter sandwich, Carmen moves to a different table. Why?	<input type="checkbox"/> she has a peanut allergy Incorrect; DK/NR Response:	1 0
81. You see Carmen in the nurse's office getting a shot. Why?	<input type="checkbox"/> any reference to having an allergic reaction Incorrect; DK/NR Response:	1 0
