

Listening to My Teacher Read a Story

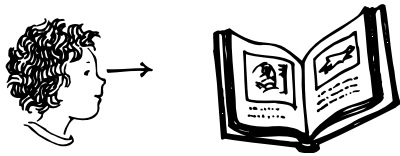

My teacher reads a story.

I sit with friends.

My mouth is quiet. My feet are still.

I look at pictures.

I listen to my teacher read.

Cafeteria: I Eat My Own Food

I have food on my tray to eat.

Friends have food to eat.

I do not touch friends' food.

I eat my food. It is good.

I am happy to eat my own food.

Raising My Hand

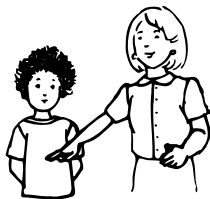

I want a turn.

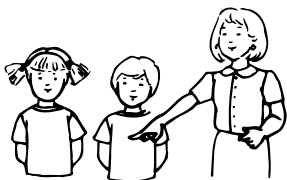

I hold my hand up. I wait.

My mouth is quiet.

My teacher chooses me. It is my turn.

My teacher chooses my friend. It is not my turn.

I raise my hand when I want a turn.
