CATCH OF THE DAY

Chapter 1

SOMETHING FISHY

The sun was setting.

The sky was getting dark.

Two friends were out on Lake Champlain.

They were fishing.

They caught bass. They caught trout.

The day was over.

It was time to go home.

The men turned the boat east.

Waves hit its ***hull***.

The men looked to the left.

They saw ripples in the water.

Then they saw something odd.

What was it?
