

World's Greatest Shipbuilder

Name _____

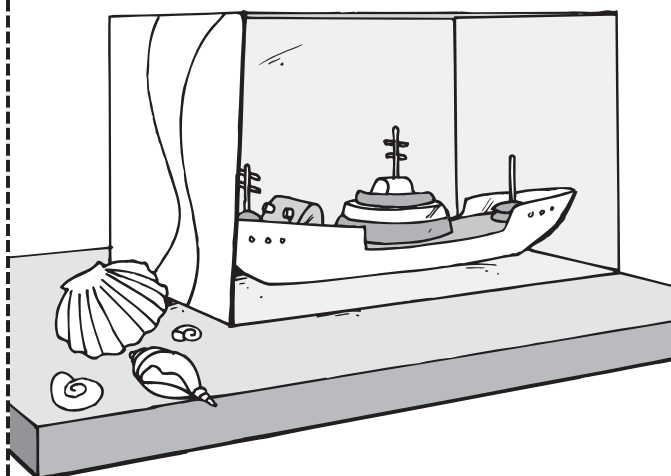

Listen to the story. Then cut the pictures apart. Put the pictures in order and retell the story. Don't forget to use a good SH sound.

Sheldon loves to build model ships. First he glues all the ship pieces together.

When the glue dries, Sheldon paints the ship with shiny paint. He has to be careful not to spill on his shirt.

Then Sheldon puts the shiny ship in a shoe box. He puts the shoe box next to the shells on his shelf.

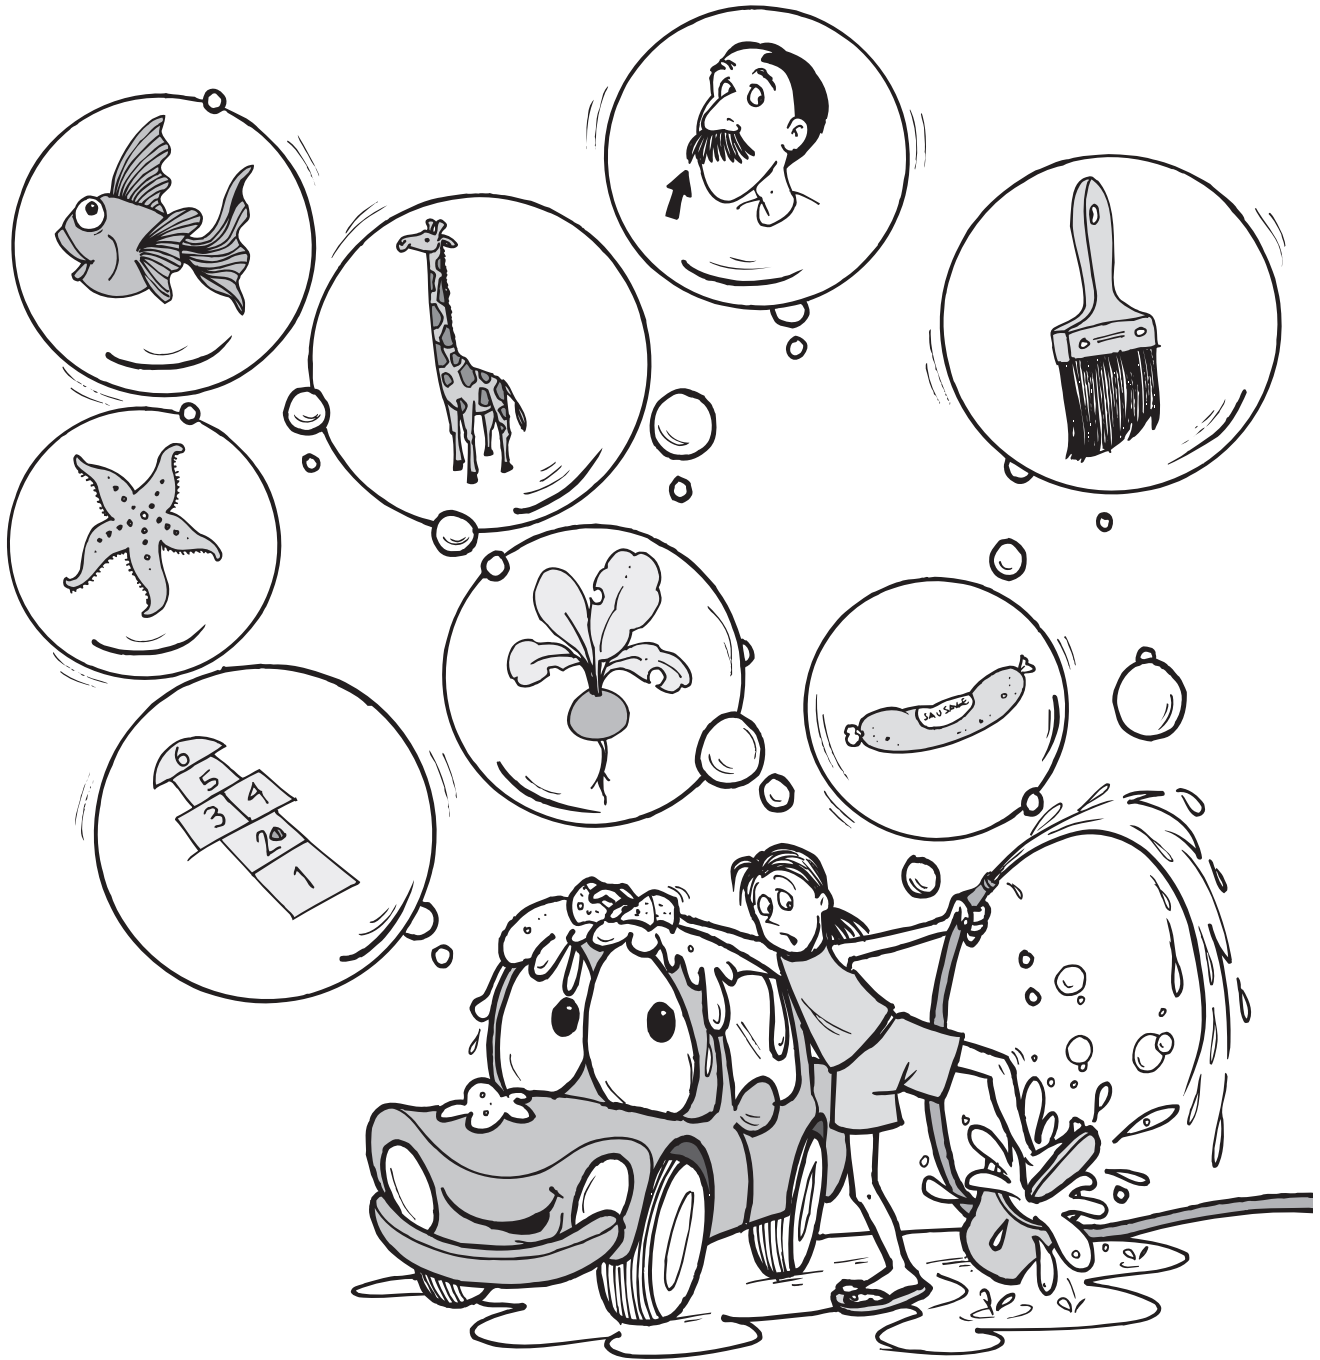

When Sheldon grows up, he wants to be a famous shipbuilder and build the world's biggest ship!
