

Giraffe was on lookout duty. “We have visitors,” he announced.  
“A school bus has just pulled up to the zoo’s entrance.  
Places everyone!”

## Activity Page

The giraffe made an *announcement*. That means he talked out loud so the other animals could hear him. He told the animals that visitors were at the zoo's entrance. *Visitors* are people who come and stay for a while.

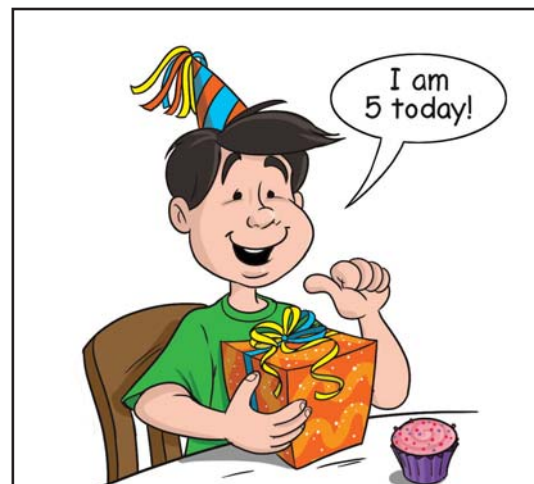

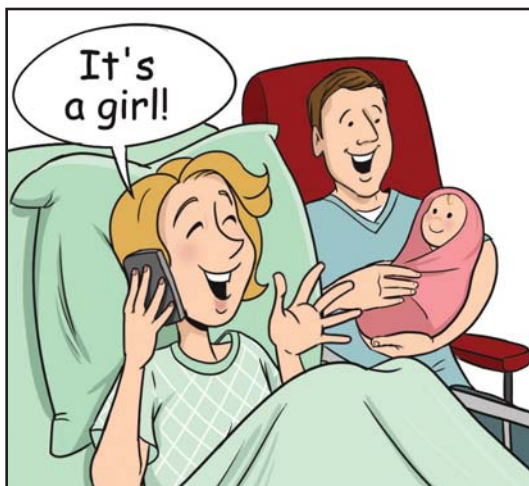

Say the word *announcement/visitors* with me.

Clap the syllables in *announcement/visitors*.

What sound is at the beginning of the word *visitors*? /v/

What is another word that begins with /v/?

Which pictures show people making an announcement? Which pictures show visitors?

“Be very careful, boys and girls,” warned the teacher.  
“The animals look friendly, but they’re dangerous.  
Keep your hands away from the cages.”
