

## Casey the Busy Cat

Casey Cat is on the go!  
She leaves each day by eight or so.  
She has a list of things to do  
And marks things off when she is through.

Casey Cat, come home.  
Casey Cat, come home.

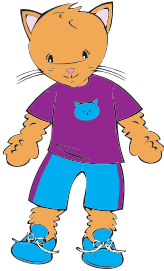

One day she worked with Mary Mouse  
To clear the yard around the house.  
They pruned the shrubs. They pulled the weeds.  
They dug some holes and planted seeds.

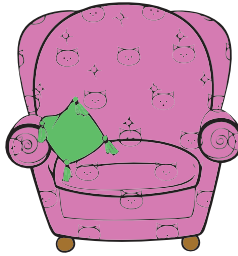

Casey Cat, come home.  
Casey Cat, come home.
