

Missing Fifi

I have a friend named Fifi.
Her glow is like a star.
She travels all around the world
To places near and far.

Fifi, Fifi, Firefly
Fifi, Fifi, fly so high!

I miss her when she goes away.
I miss her little light.
I miss the way she twinkles
When she flies around at night.

Fifi, Fifi, Firefly
Fifi, Fifi, fly so high!

Rebus Sentences

Copy this page and cut apart the sentence strips. Place the strips facedown on the table. Each child picks a sentence and reads it with you, saying words for the pictures.
