

Tully Turtle's Big Surprise

Tully Turtle builds things—
Projects big and small.
He saws and drills and measures,
But he hammers most of all.

Tap, Tap, Tappity Tap
Tap, Tap, Tap

One day he had a secret.
He wouldn't say a word.
He got his hammer and some nails,
And this is what I heard:

Tap, Tap, Tappity Tap
Tap, Tap, Tap
