Spelling and Reading

A Character Description

Read the following descriptive paragraphs. Notice the words that tell about a character.

I am very fond of my Aunt Ginnie. She spends a month with my parents and me every summer. She always surprises me with her wonderful new hobbies. One summer, she came with a box full of bright paints! She had brushes, paper, and picture frames, too. We painted every day. The next summer, Aunt Ginnie brought needles, pins, and cloth. She made me a pair of beautiful pants and a top that matches. She made herself pants, too, so we could dress like twins.

One summer, we went camping together. We hiked up a steep hill. We spread our sleeping bags on the ground. We ate cream cheese sandwiches, fish, and grapes until our stomachs were full. After dinner, we talked about our favorite stories and films. Then we laughed and giggled about funny things that had happened to us. I woke up twice during the night. I was a little afraid, but Aunt Ginnie was there to comfort me.

I wish it were summer now. I'm ready for more fun with Aunt Ginnie.

Write your answers to the questions.

1. Who does the writer tell about in this character description?
2. How does Aunt Ginnie always surprise her niece?
3. Which word does the writer use to tell you that Aunt Ginnie makes her feel better?
4. What kind of person is Aunt Ginnie? What makes you think as you do?

Underline the review words in your answers. Check to see that you spelled the words correctly.
